

## Make an Impact on the Life of a Holocaust Survivor

JFS received a Holocaust Survivor Initiative Grant for 2023 to support increased access to guidance and health care-related services for survivors in the Greater Capital Region by:

- ▶ Providing emergency funds for items deemed medically essential to improve quality of life such as hearing aids, dentures, and other items.
- ▶ Addressing food insecurity through provision of grocery gift cards to help offset the higher cost of culturally appropriate foods items.
- ▶ Offering compassionate Chaplaincy support to individuals and to their caregivers at the end of life.
- ▶ Providing one-on-one activities to promote active aging \*well\* in place.
- ▶ Arranging Social programming
