## Your funding will:

### PROMOTE MENTAL HEALTH & RESILIENCE

- Provide mental health care for all ages, regardless of ability to pay
- Offer community, group and school-based programs to build resilience
- Deliver pastoral care and end-of-life and bereavement support

### SECURE ACCESS TO BASIC NEEDS

- Meet increased demand for in-person, hands-on care coordination and guidance with healthcare and benefits for people 60 and older
- Mitigate food insecurity with home delivered meals, grocery shopping and food gift cards

### FOSTER AGING WELL & SAFELY

- Combat social isolation through expanded programs that promote independence and physical and emotional wellness
- Promote aging in place through home safety assessments and modifications
- Help fulfill increased requests for transportation to appointments

## An example of JFS in action:

A simple *request for help* led Michael to *our comprehensive support system*. A JFS care manager assisted him with *navigating public transportation, medical appointments, and benefit enrollment* — *providing support through every hurdle*. Now stable, Michael can focus on spending time with his grandkids.

***This is JFS in action: listening, caring, and helping every client, every day.***
