

JFS Chaplaincy Support

Enhancing Resident Life Through Jewish Chaplaincy

The Jewish Family Services (JFS) Chaplaincy Program serves as a professional partner to Capital Region long-term care facilities, offering specialized services that support the spiritual well-being of Jewish residents while enhancing your facility's cultural inclusivity.

Our Rabbi provides seamless, turn-key programming that integrates directly into your activity calendar, ensuring your Jewish residents remain connected, engaged, and supported.

WE PROVIDE

- **Religious Services:** Clergy led holiday and religious services to bring observance and traditions to residents, and provide a sense of community.
- **Enrichment Programming:** Engaging educational discussions on Jewish history and traditions, designed to stimulate and inform.
- **Pastoral Care:** One-on-one visits for residents, providing support during transitions or illness.
- **Staff Cultural Competency:** Consultation on Jewish traditions, holiday preparations, and dietary guidelines (Kosher restrictions) to help your team provide culturally sensitive care.
